2.3. In "Contribution Amount", user can choose either "Donate a Custom Amount" or "Donate Fixed Amount". If user chooses "Donate a Custom Amount", customer needs to type the desired amount that he/she wants to donate. If user chooses "Donate Fixed Amount", user needs to define the fixed amount that the customer can donate. For example - If the defined amount is 1000 then the customer can donate only 1000 by clicking "Donate Button" once at a time. (Fig 2.3.1)
